We aim to deliver within 45 minutes but it can take slightly longer during busy periods.

Delivery area is a range of 2miles by road from the restaurant - during quieter periods we may deliver up to 2.5 miles so call us to check.

Because our dishes contain many different ingredients we can't list them all here. Due to these circumstances and due to cross contamination risks in our busy kitchen we are unable to guarantee that any menu item can be completely free of allergens. If you have any allergies please ask to speak with the Manager.
